

## Now Enrolling Typically Hearing Peers for the 2025-2026 School Year!

**Listen and Talk's Blended Classroom Program** is an inclusive early childhood program where children who are deaf or hard-of-hearing learn and play side-by-side with children who have typical hearing. We offer small, age-mixed classes up to eight children. Our teachers create language-rich environments and engage children in active learning which promotes the development of critical thinking, social and pre-academic skills.

### FREQUENTLY ASKED QUESTIONS ABOUT BLENDED CLASSROOM PROGRAM

**How many spots are available next year?**

To maintain small class sizes, we hold up to two spots in each class for children with typical hearing. For 2024-2025, we have four spots available.

**Is enrollment limited to the fall?**

We enroll students throughout the school year!

**What does the daily schedule look like?**

**Four - day program:**

- 8:30am - 2:30pm (Mon/Tues/Weds/ Th)
- No school on Fridays
- For children 3 - 4 years old by August
